# WINTER TABLE

## WINTERLY BANQUET

We lay the table for a magical winter evening. Intricate flakes and delicate ice crystals decorate the winter table, and combine porcelain, fine gauze and candlelight to make a festive meal.

The plates and dishes with delicate embossing decorate the festive winter table for dinner with candlelight and special occasions. For the delicacies of cold days and clear starry nights.

The winter table collection lays the table with special dishes of stoneware and porcelain. These are complemented by serviettes, lights and decorative ornaments.

The decorations combine the geometric shape of ice crystals to form a pattern that is not just Christmasy or wintry, but timeless due to its successful abstractness.

All items are handcrafted and made in small batches. The manufacture of porcelain and stoneware has been elevated to a special craft to guarantee premium quality products.

## CHRISTMAS OUTDOORS

The Christmas mood this winter begins outside your house because the Winter Air collection creates magic highlights in snowy gardens. Made of weather- and frost-proof materials such as concrete, stainless steel and Tyvek, there are many wonderful things that can decorate your garden. For hungry birds and flying Christmas angels, we are hanging bird food ornaments in the branches and filling food balls with delicious snacks. Snowy flower beds and flower pots in hibernation adorn gold and silver garden stakes. Bare bushes are festively decorated to become Christmas trees.

## FOR CLEAR STARRY NIGHTS.

... softly falls the snow ... ice flowers grow on icy windows. Brightly shine the stars over the enchanted landscape of snow and ice. Time stands still and calm and contemplation arrive. Snowflakes float through the air. Glittering white tops of fir trees. Magical winter forest, hidden under a blanket of snow. Frozen lakes. Frost. Winter. Pure nature. Glittering ice crystals. Trees and bushes sink in the deep snow. A story of a white Christmas and a starry silent night. Winter dreams.

# HOUSE OF FRIENDS. HEAVENLY SISTERS

---

## TAKE TIME TO DREAM: IT IS THE WAY TO THE STARS. (IRISH PRAYER).

As you might expect for angels,  
we live high up in the sky,  
guide you through life  
and light up your world when things get dark.  
We combat everyday greyness with light and love  
and stretch out our wings  
to bring you the stars down from the sky.

The Heavenly Sisters are little angels whose big smiles have banished many a frown.

Pauline brings you ideas, Rosine gives you courage and Charlotte has a poem up her sleeve for you. Sternchen has lots of love to go around, Florentine brings you joy and Aurelia lights up your world.

PAULINE	ROSINE	CHARLOTTE
		
<p>Pauline brings you ideas – she wants to see new things grow and dreams become reality.</p>	<p>She gives her friends good cheer and encouragement. She turns life's obstacles into something beautiful.</p>	<p>From head to toe, she is in love with life and inspires you with this love. Gifts are very important to her because giving is better than receiving!</p>
STERNCHEN	FLORENTINE	AURELIA
		
<p>Sternchen brings you poetry - Sometimes she plucks a star from the night sky and rides on it to the moon. There's always something for her to look forward to!</p>	<p>Florentine brings you friends: she loves everything about life – the laughing, the crying – and the dancing! She appreciates the little things in life.</p>	<p>Her life is filled with summer so that it keeps her warm in winter. A ray of sunshine is enough for her to light up the darkness. She thinks bright thoughts and always attracts these.</p>

Our products are love, devotion and 100 percent our own design. Because just as **räder** products don't simply pop out of a machine, the same goes for the design philosophy: everything is designed and dreamed up by our in-house design department, consisting of six product and graphic designers. From strategic collection design to the first product idea to packaging, our own trade fair booths, POS materials and print media, everything at **räder** comes from the hands and heads of our creative department.

*Quality is remembered long after price is forgotten. (Aldo Gucci)*

About 3,000 räder products are on the market and there is nothing that simply comes out of a machine. Even today, all our products are made with a great deal of handcraftsmanship. This can and does affect the price. We have a friendly relationship with our producers and have known many of them for years. Constant controls are important to us. In addition to our local quality management, we travel to our production regions twice a year.
